All pricing is based on the job, therefore, listed pricing is a base price, which may change depending on your dogs breed, coat type, coat condition, and temperament. Examples: a Pomeranian generally has a thicker more difficult coat than a Miniature/toy poodle and will cost more, A smaller Aussie with a very thin coat and minimal shedding will cost less than a larger Aussie with an extra thick coat. A dog that is very tangled will cost more than a dog that is well brushed, combed, and maintained at home, a Poodle that is aggressive, or behaving in a manner that makes the job risky, or take longer, will raise the price.

Deshedding \$20 per hour spent deshedding.

Dematting (Groomer reserves the right to refuse Dematting at any given time) \$40 (1 hr max).

Flea Baths \$5 add on (due to extra time and products). To prevent flea outbreaks in the salon, flea baths will be given and charged without notice if fleas are found on the dog (Note: Flea shampoos are only a part of a flea control and elimination process and as such flea baths in no way guarantee that all fleas will be removed from dog at completion of service. Steps to remove fleas and eggs from home is advised).

The groomer reserves the right to refuse service to any dog for reasons including but not limited to (safety of the dog and those around, health, aggression, and delinquent payment)

The groomer reserves the right to charge up to the full amount of the service for late cancellations (less than 24 hour notice) and no showing for apts.

Dogs that show up more than 15 minutes late will be rescheduled, marked down as a late cancellation and charged up to the full amount of the groom.

Unless other arrangements have been made, or groomer is still working on the dog, dogs Picked up later than 5:30 pm will be charged an overnight boarding fee, and any dogs not picked up by 7 pm will be held overnight and charged for boarding.

In cases of matting, the groomer will not shave without permission, UNLESS matting is causing undue discomfort for the dog, or health or safety is at risk.

Injury – Paws In Place is not liable for any injuries noticed post grooming, or that pop up later. Knicks and minor cuts are a possibility anytime sharp equipment is used around animals. Our staff evaluate all dogs at arrival and departure for any signs of injury prior to or as a result of grooming. We will inform you of anything we find. It is your responsibility to check your dog over before going home.

All charges must be paid in full at completion of service, no credit will be extended.

We accept Cash, and checks only. Bounced checks will be charged an additional \$40
